The birth of the legend

Kaunus is an exclusive brand which designs and creates unique piano and cello benches for musicians, artists, dreamers and for you who love beauty, making your life a true work of art.

Kaunus arises from the lavish emotions caused by music, passion for beauty, the search for perfection, the extravagance of eccentricity and the imperfection of love.

Kaunus is the inspiration that moves the soul of the artist.

EXCLUSIVE PRODUCTION PROCESS MADE IN SPAIN

Every centimetre of a Kaunus piece is built with premium materials and finishes, which in addition to work by expert hands, result in pieces of unique beauty, function and precision.

The exclusive height adjustment mechanism through gas spring, KHAS (Kaunus Height Adjustment System), developed and manufactured in Spain by KAUNUS, guarantees a precise height setting through an innovative device which allows the precise position selected by each musician to be seen. A convenient and easy height adjustment mechanism to maintain optimal posture on each bench.
